# EXTRA HEAVY-DUTY TYPE 1A FIBERGLASS STEP-UP BENCHES

Safe and sturdy. Lightweight, yet rugged construction. The Magnum Step-Up is a versatile fiberglass step ladder and portable work platform. Folds up for easy storage and transport. Used as a pair, they are a great solution for two-person hanging of drywall and paneling.

3 ft shown above.

## Meets all OSHA requirements.

### REINFORCED FULLY ENCLOSED CROSSBEAMS

For added strength and stability

### DOUBLE RIVETED

For a stronger and safer step

### HOLLOW ALLOY TUBING

For lightweight and ease of use while maintaining strength
