# FIBERGLASS STEP-UP BENCHES

- Extra Heavy-Duty Type 1A
- Bench top load capacity: **300 LB**
- Non-conductive fiberglass legs
- Extra-wide 10" split top
- Available in 2, 2.5, 3 & 4 ft
- Double-rivets reinforce each step to provide added safety and security

Meets all OSHA requirements.

**NON-CONDUCTIVE FIBERGLASS**

Safe and sturdy. Non-conductive fiberglass legs and rugged aluminum construction. Steel top leg braces. Magnum Step-Up Benches are versatile step ladders, portable work platforms, sawhorses and benches, all-in-one. They fold up quickly for storage and transport. Used as a pair, they are a great solution for creating a large working surface.

**EXTRA WIDE 10" TOP**

Durable steel leg braces wrap around the bench top for added strength.

Reinforced fully-enclosed crossbeams add durability and increased stability.

No-slip, no-mark rubber feet with durable base frames.
